

# Training Nutrition Educators as Part of Process Evaluation

# Why Is Training Important?

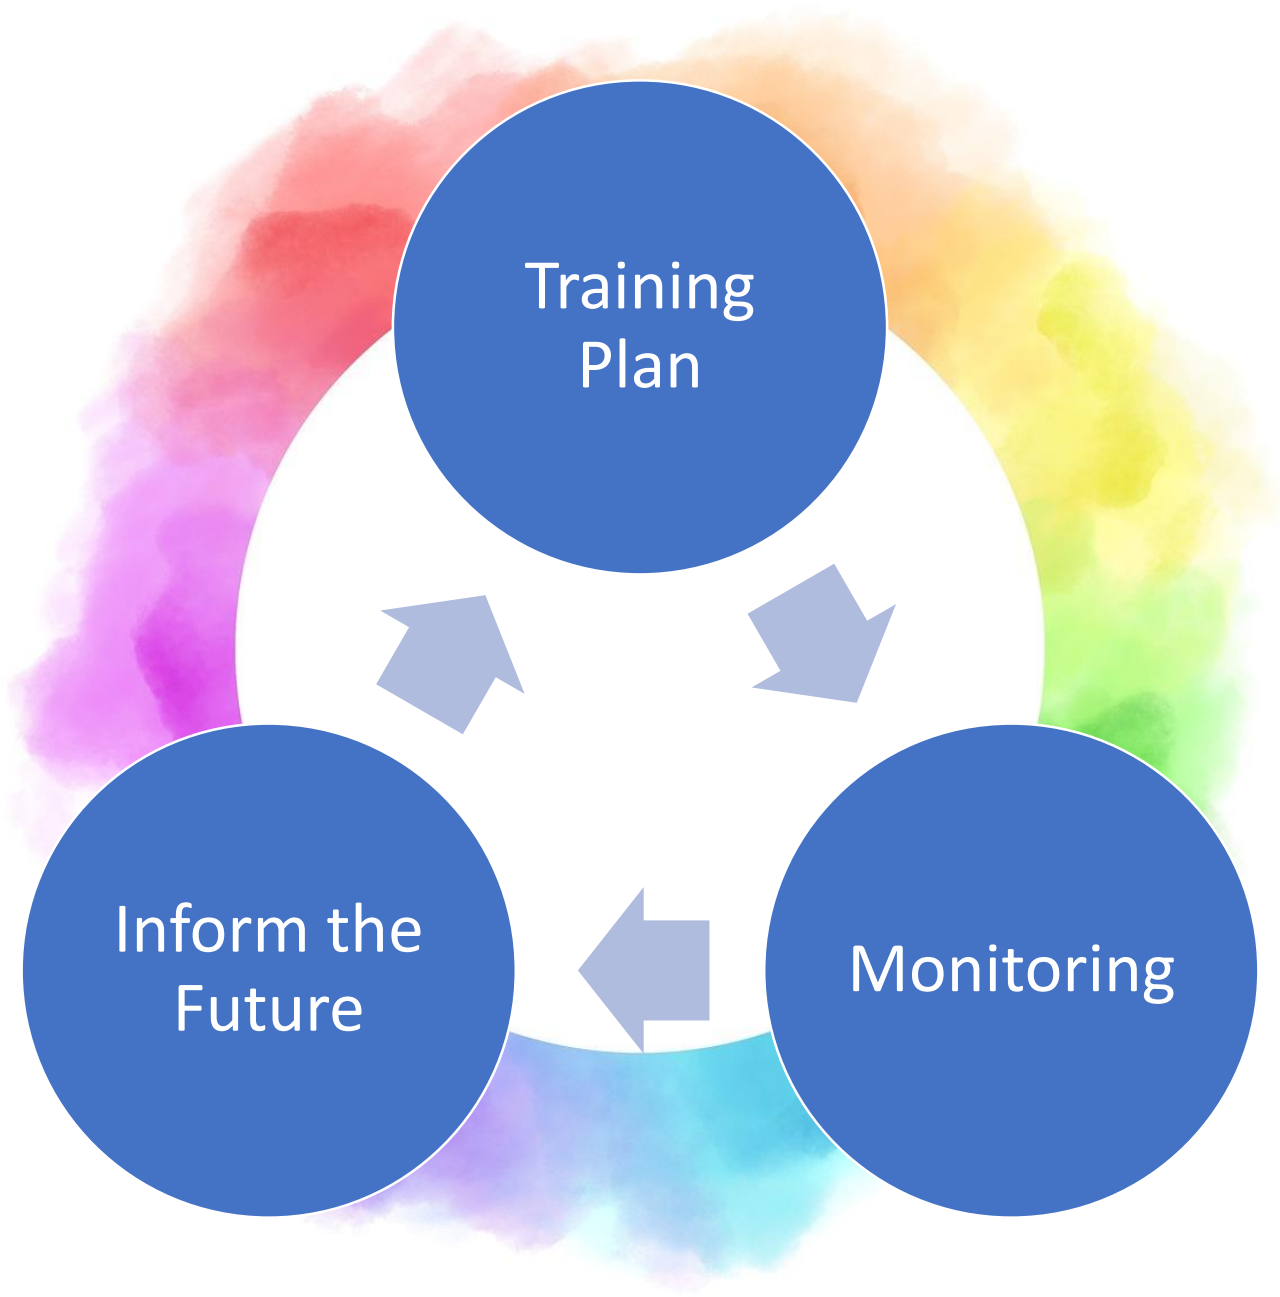

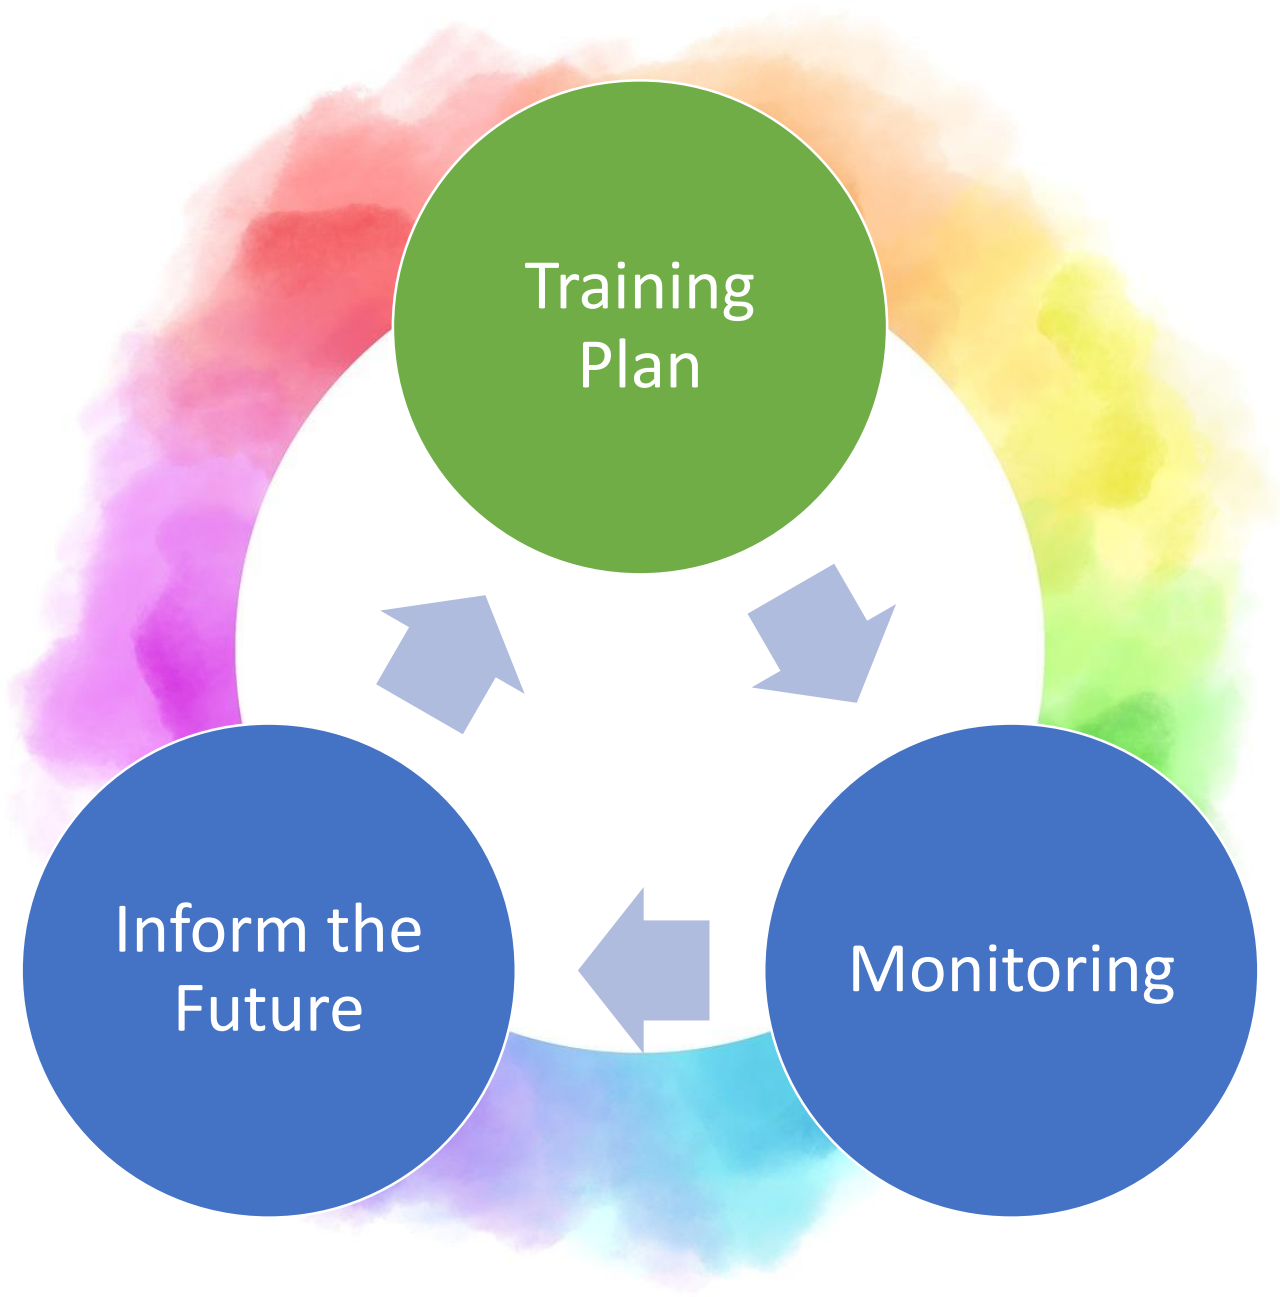

- Improved performance
- Improved satisfaction and morale
- Addresses weaknesses
- Encourages consistency and fidelity
- As a part of process evaluation, training can help you address issues by learning from others in the field and sharing their learnings

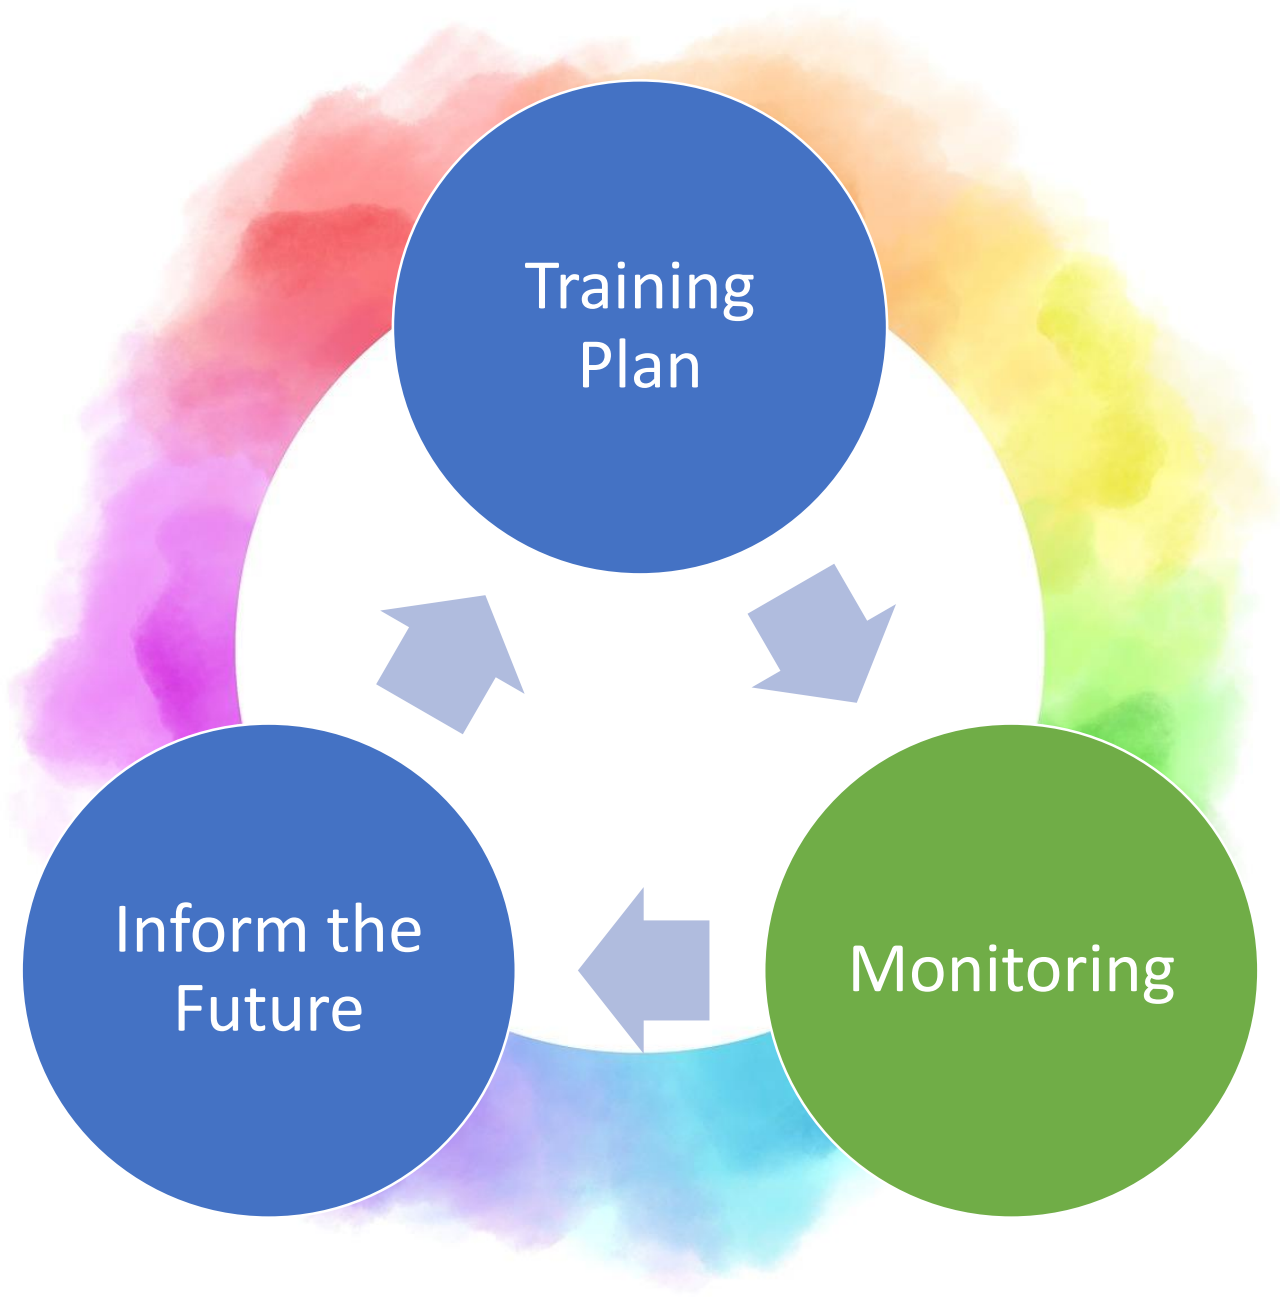

**Training  
builds  
skills!**

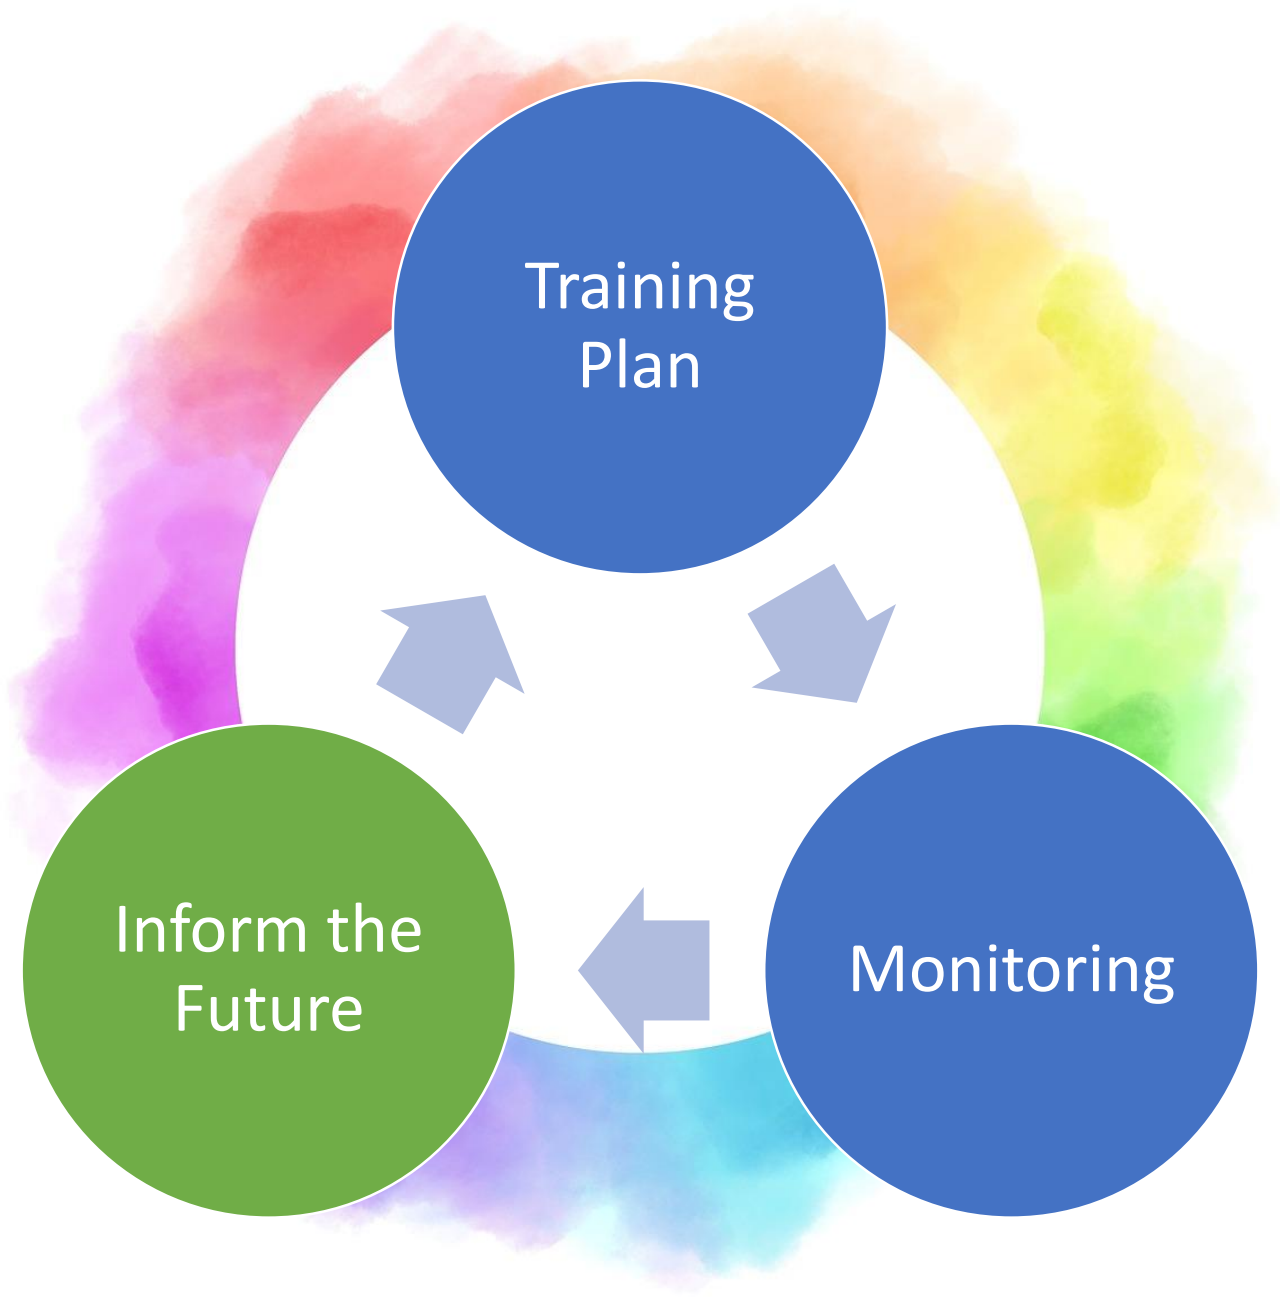

**What training do  
you currently  
provide for your  
program staff?**
